Are either of you planning on going to Silverton next week? It appears that there are 2 items on the agenda that we're heavily involved in. Or can we call in?

Dear Stakeholders – Attached is the agenda for our Feb. 20th meeting in Silverton (1:30 pm). We thought we might get a larger turnout than usual, so we are meeting at Silverton Town Hall.

Also, here is a link to an updated Good Samaritan video that Tom Schillaci has produced for us. It describes the Good Samaritan liability issue and the need for legislation. Here is the link:

Check it out.

As you saw in an earlier email, our InnoCentive Challenge is posted.

So far 178 solvers have signed up to work on the challenge. Who knows how many will actually send in solutions, but it clearly is generating a lot of interest.

Thank you to all our partners who have contributed to the InnoCentive effort:
